Dimensions	V11-T2-71

Product Description

The Electrical Sector is pleased to offer X Series Rockers for use in outdoor applications to meet almost every market need.

These sleek style rockers are molded in a unique smooth matte finish. The bezel is also unique with a more modern rounded-rectangular design with an oval shaped rocker. X Series Rockers are available in single- and double-pole with various circuit options, LED illumination, and laser etching.

- Frames and actuator colors are black
- Switches provided with 0.025 spade quick connect terminals

Application Description

Market Applications

- Agriculture
- Bus
- Commercial
- Marine
- Specialty Vehicle
- Truck

Features and Benefits

- Seal
Standard IP56 Sealing per IES 60529.
- Illumination
Standard LED voltages offered include 14 Vdc and 125 Vac.
- Material
Frames are nylon and actuators are nylon with glass fiber with both meeting UL flame: 94HB. Terminals are silver plated brass.
- Mounting Means
Easy snap-in mounting with plastic bezel.
- Label
Eaton part number etched on switch for easy inventory management.

Options

- Panel plug: 53-3318
- Industry standard connector: 28-3426
- For information on optional features, contact your local Eaton Sales Representative.

Standards and Certifications

- UL Recognized and recognized component for Canada File E2702
- T85
- RoHS Compliant

Product Selection Guide

Seal	Actuator	Decorative	Termination	Illumination	
Top ✓	Rocker without bezel —	Laser-etch ✓	Spade ✓	Incandescent 6 Vdc —	Neon 110V —
Bottom —	Rocker with bezel ✓	Pad-print —	Solder —	Incandescent 12 Vdc —	Neon 125V —
Panel —	Paddle —		Screw —	Incandescent 14 Vdc —	Neon 250V —
	Snap-in lens —	Poles	Weld lugs —	Incandescent 18 Vdc —	14 Vdc LED ✓
	Locking —	Single ✓		Incandescent 24 Vdc —	28 Vdc LED —
	Label —	Double ✓		Incandescent 28 Vdc —	125 Vac LED ✓
		Four —			277 Vac LED —

X Series Rockers

Catalog Number Selection

Standard rating 16A 125V, 10A 277V, 3/4 hp 277V
Also recommended for use in applications up to 21A 14 Vdc
IP56 per IES 60529

Notes

- ① Available in AC applications only.
- ② Double-pole not available illuminated; it is available laser etched.
- ③ See Circuit Diagrams on **Page V11-T2-70**.
- ④ See Symbols Library on **Page V11-T2-70**.
