Dimensions are for general information only, all critical dimensions should be verified by requesting a certified print.

Model Codes and Part numbers listed in red italics are non-standard items – Minimum quantities may apply – Contact HYDAC for information and availability

Ordering:

To order models without dipsticks, simply use the model code from the chart above. If a dipstick is required (dipsticks are special order items and minimum quantities may apply), also include:

- Overall Length
 - To Add Mark
 - To Full Mark
- refer to dimension drawing above
